Bryan,

I am working on finalizing the details, but I believe that everything we have has been produced. I will get you a formal response on Monday or Tuesday that tells you where to find them.

Thanks.

Ben,

Any update here on the registry data? I didn't see any response but may have missed it. If we can't get a response this week that all have been produced we will be filing a motion with the Court. We simply cannot wait any longer with the depositions upcoming.

Thanks,
bryan

Thanks Ben,

While you're checking can you also confirm that you have produced all the of the materials involving any and all TVT registries, both foreign and domestic, and if so in what productions they are contained?

Best,
bryan
